Arministon, Nov 10—The views of Hon Deman R Earth, president of the civil service commission, with regard to the probable effects of Cleveland and Hendricks' election upon the maintenance of the crui service law, have been obtained by a representative of the associated

FOUR-PAGE LDITION.

pessed arguestic flowing up of of

The rapidly growing reform sentiment of the country has been demanding more housely, rourige and administrative capacity. Governor flex land has the distinction of being the first in usince Washington who has been elected president because he possessed these qualifies in a pre-emment degree. They have advanced him in one rapidly to the head of the mition than mutary forey ever did any one of their favorities. To his ever that such a man, with such a history, who never sought an office, will come to the national capital to repudrite the pledges and all that is best of his official life, to be true those who have most trusted lim, to make bostile all the repulling majourned with how support lim, to rum the prospects of his party and disgrace himself and his country to overturning every for freform kindes! to that upon which his own historition rests, only to set ure a free held for palronage, moneygetting and the spoils system of detauchers, this such an assumption should be made by any well informed in miss time simply impossible if I am miss take in this six with part the rules will be utlerly overthrown before Marth winds an over I if the democratis entracting the soles system of policy, they must take the consequence. No true freened of reform would have any part in a perfunctory and deceptive enforcement of the rules, indicated in the essential parts. He would rather await their certain resurrection four years bence over the graves of their enemies."

ILEES THOMAS'S VITWS

isked "I lo not know, but it would seem that his pull juillie afterances and a ts are sufficient guarantee that I is pulley will be C is traitive and in thorough somethy with the present city service law and rules."

"Will there be many removals of government chocals."

"Will there be many removals of government clinicals."

"Yes, and many will remain. I am satisfied that thorough administrative reform will cause the removal of many officials whose places need not be filled, and if a policy is pursued by which the bisiness of the government will be conducted on business jointciples, the hierarchical rigister in two years from now will contain several thousand less names that it dues to-slav. As to disturbing substitutions will contain several thousand less names that it thus believed a point offices, much will deep a lup on the leads of departments, lurieus and days oas, in take upon their efficient in the place of the coup. There have his breen suit a literal substitution when the power of remain 1 to 2 at 10 hadron with a training to the first and the couple of the c

THE HARVE OF MEROLDIN

The Post of Hollands of the so relic 1 mde pendence princes that supported Clevelinis, trees to show a preferred spirit of fairness by remarking that though the republican party did not sold all the northern states in the late clestion it may if well introped you kly gun in the south states on aigh to make up for its loss In the north
This is prepisterous. The republical parts

Appens prepaserous the reputative para-will gain a filting in the south. There are two passons why it will not. The first reason is that in the guilt states, which it could curre upon a fair rote, nothing like a fair rote will be per-int el. The second and greater reason is that he republican party is intensely bared a the south, been sout is the party that represents the government when the rebellion was put Hence as southern sentiment is still orgrained upon the feelings and prejudices of the obtionist, and as that soutment is manifestly partitions of the soft will be forth in of bisipation many and as the soft of the british of bisipation.

. It is often spel that the southern states are Cussion it becomes it cossity to remark that the assertion is unfounded. Only in three states - both Carolina, Mississippi and I dustaine-riethe blocks a "majority In Arkquas the whites utunabler the blacks at the rate of three to one in Alabama the whites are more momentus than the flacks by 100,000 in Geor graly rearly \$40,000 in Kentucky by none than 1,000 km and in Tennesses 15 nearly 186 be. In Virginia and West Virginia, these are two winters to one black in North (arothra early two to one on Texas and Margland thre to me in Missouri ten to one. The issertion, t effore that the southern states are forced to remain so this to provess as reference to the

The south then, is 'sold?' for a me other reason and that reason is not far to set. It is furfact the most obvious thing in politics. It is been before the country as the one great the shalowing fact of its political history dur-ing the best thirty verse. The sentiment that make the with solid was organized to defend, review I und to perpeticite slavers. It con intest (cause the south interly raminibes that I was whoped in the war, and it holds everystic resentent grainst the judy that regres utel and inverted the government while that was required.

The Crice Seehers Aiready Worry of Him About the Lat Positions

Arw York, Nov. If A Special — The 1-6-7-6 special from All any says. With the constitution of the Crime the Chical Count, level and stront extremely any office of the Crime the Chical Count, level and stront extremely arrived as whether the definerable party is entitled to the fronts of democratic victors or wheleven few uncass independents have to carry off the most glittering prizes. It is needless to say hat local and chical clusion is fundamentall against the latter confugency. There is no talk of clyd service now, except to reform our republicans and reform in democrats. A dictionar entertimed that in the long run (beveland will be compelled that in the long run (beveland will be compelled.)

It accept this view. There is whispered a fear, I were that in the agony of the campaign he was forced to make some pledges to the integer to

r. understion
(Congressman Hewitt is a calculat figurehead

This would mean either the calculator or a firstclass foreign mission, with preference decidedly
for the former. 4 Dorsheimer shrlyed

would doubtless give bin a taste for something in the same line.
George William Curts, General Francis Barlow and Carl Schurz are people whose manues every democrat brings up only to dismiss with disapproval and apprehension. Curts once declined the Enghah mission, under republican administration, and he could hardly take less under a democratic administration, and it is not believed that Cleveland could make such an offer Schurz is in terrible embarrassment, and it the talk of the democratic may be taken for a guide also stands a good chance of being left out but Barlow is of a handler size, and can doubtless be provided for FRANDALA AND THURMAN.

Talk of juiting Bardall in the rabinet exas-

"THERE IS SHILL SOME HOP.

INTERING, NOVE 10—J seph D. Wocks, treas user of the pation of reput tiens committee, was in the city to-day and returned to New York to-night. In an interview he said. It is impossible to tell what the national committee will do until the official count is finished. The board of county cannassers has no power to change the face of the returns, except the case of mainfest cit-rical errors and under certain conditions to count the ballots that were rejected by them as blank or defective. Any action looking to a change in the returns, except as above stated, inust be brought before the courts, who have I ower, by mandamus, to instruct the inspectors and caurassers to change the fare of the returns."

"Then the hattonal committee will stick it out as long as there is any lope."
"The republican people of this country expect their natural committee to exhaust every means within their power to reach the actual results of the election, and until it has done that it will remain in active service. As far as I am confermed, I think there is still some

THE THEATERS. theaters are now dull and uninteresting. In stead of supprovement in the Baidwan stock company, from which so much was expected, there has been a decided deterioration through the departure of Miss Leene for the east. "The Private Secretary" was on all last week, and will be continued through the coming week, though it has not drawn well. The California is closed. Jim Ward and his wife are doing a round of Eissh pieces at the Bash, to fair business. The minatrels are crowded nightly, doing, in fact, the best business in town George M.in, "the reformed clergyman," has been at it e tirand open a house all week, playing to empty benches. to speak for Mr Cleveland. My fall his founded
solely upon knowledge of his character and con
victions. Trily yours,
EELEGE WILLIAM CURTIS,
CLEVE AND 9 LOCK

GEOLGE WILLIAM CURTIS, CLEVE AND 9 LOCK

New YORN, NOV 15 — [Special]—The World sale "There is no end to Cleveland's good lock. It turns out that an eccentric rich man of Hitsburg rade a will several years ago making the first democratic precident a sort of residuary legates. By this document Cleveland will come into research of about \$50,000, for the use and in behalf of the democratic party and the perpet lation of der ocratic principles. The man's name was Alexander Mcdill, who in 1878 made a will excluding his divorced wife from any surre of his property and bequeating most of it to his saster, durin her infetime, and after her death to his units and their children, and from them to the democratic president, as above state. It doesn't appear that any of the formulal is list of legatees is yet deceased.

Of Lishand will Frank a Bachelor.

REMEMBER,

SARSAPARILLI

DORSHEIMER SHELTED

Thanks to Tammany, Dorsheimer is out in the cold. He would make a good at hector of the port, if his fellow Falstarf, Hubert O Thompson, thould be content to stay where he is or he would make a fair foreign minister. It is hardly hought there would be much of a chance for him in the calamet. Angust Belmont has been waiting a long time, and his own experience in diplomatic life.

Then the national committee will stick it
